Mr Smith

I don't know whether you received my previous Certified Return Receipt mail? Well I have made a few changes in my program. Now the niece of Otter Elwood Toole is my girlfriend. Anyways, Otter is now on Runner status and so am I. My problem is that I can't get security to put him on the same wing with me to work together and have consistent conversations. Also you have not done anything to make it easier on me. I understand that there is a deadline on the case before the Judge takes it out of your hands and gives it to the public. Well if you don't respond hereto, I am going to take all the letters and mail them to John Walsh. Sorry that your main witness is dead, but in a way I'm glad because he was a real piece of shit.
